## INDEPENDENT AUDITORS' REPORT

---

To the Members of Kiwassa Neighbourhood Services Association:

*Opinion*

We have audited the accompanying financial statements of Kiwassa Neighbourhood Services Association ("the Association"), which comprise the statement of financial position as at March 31, 2021, and the statement of operations, statement of changes in net assets and statement of cash flow for the year ended, and notes to the financial statements, including a summary of significant accounting policies.

Except as noted in the above paragraph, in our opinion, the financial statements present fairly, in all material respects, the financial position of the Association as at March 31, 2021 and the results of its operations and its cash flow for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

*Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

*Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the management's financial reporting process.

*Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not guaranteed that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

*Report on Other Legal and Regulatory Requirements*

As required by the Society Act of British Columbia, we report that, in our opinion, these principles have been applied on a basis consistent with that of the preceding year.

---

**Note 1 Purpose of the organization**

The Association operates Kiwassa Neighbourhood House in East Vancouver, BC. Kiwassa Neighbourhood House provides programs and services that educate and empower people so that they may participate productively in their community. ---

**Note 2 Accounting policies**

---

The financial statements of the Association have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and incorporate the following significant accounting policies:

**Revenue recognition**

The Association follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the period in which the related expenses are incurred.

**Amortization of tangible capital assets**

Tangible capital assets are recorded at cost. Amortization is provided for using the straight line method over the following periods:

	<u>Amortization Period (Years)</u>
Buildings	60
Automotive equipment	6
Computer equipment	4
Equipment, furniture and fixtures	10
Software	2

The original cost of the building and subsequent additions and improvements are being amortized on a basis such that they will be fully amortized in 2051.

**Use of estimates**

The preparation of financial statements require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the reporting period. Actual results could differ from those estimates.

## NOTES TO FINANCIAL STATEMENTS

## NOTES TO FINANCIAL STATEMENTS

March 31, 2021

---

**Note 13**      **Financial instruments**

---

**Fair value**

The carrying amount of cash, accounts receivable and accounts payable and accrued liabilities approximate their fair value because of the short-term nature of these items.

The carrying amount of the long-term account receivable approximates its fair value because it is valued at the estimated net recoverable amount.

**Credit risk**

The Association's financial assets that are exposed to credit risk are cash, accounts receivable and long-term accounts receivable. Credit risk associated with cash is minimized by investing excess funds in guaranteed investment certificates and by holding cash resources in institutions rated R1 by the Dominion Bond Rating Service. Credit risk associated with short-term and long-term accounts receivable is minimized by limiting the granting of credit to related societies and by only performing program services in advance of funding once a firm commitment has been received from the funder.

---

**Note 14**      **Related party transactions**

---

Administration fees include \$53,205 that was charged to Kiwassa Housing Society (2020 - \$26,723), a related society. The fees are charged in the ordinary course of operations.
